PRINCIPAL

Despite all the negative aspects that have confronted our school and our school District during the school year, this outstanding Senior Class has risen to the occasion and provided the leadership for all the school activities so beautifully recorded in this yearbook. I would like to personally congratulate your Student Body and Senior Class Officers for their excellent contributions to another fine year at Palisades. In my long association with this school, I don't recall any group of elected Student Body Officers who have done a better job. I know the students join with me in thanking all the teacher sponsors who went ahead with the various curricular activities despite uncertain budgets and late decisions.

The very best of luck to each and every one of The Champions class in your future endeavors.

James A. Mercer
Principal

Congratulations Graduates — Champions of 1981! You are embarking on a great adventure, the Big One for which you have been preparing all your lives. Whether you are leaving Pali High for higher education, a career, or a home and family, our very best wishes go with you. We hope you will always accomplish your goals with that great Pali spirit. It has truly been a pleasure working with all Palisades students this year. To those who leave us this year, may all your best dreams be realized. Let us hear great things about you!

Nancy Schroeder

"To be what we are, and to become what we are capable of becoming, is the only end of life"

Spinoza

I am happy to share this thought with you, the Champions, Class of '81. It has been a special privilege for me to work with you, watch you grow, share your joys and sorrows, and witness your triumphs and defeats. All of these experiences are necessary, however, in becoming what you are capable of being. I shall miss you sorely, but I know you must move on to the next step in the ladder of life. As Champions, you will have many challenges, for everyone wants to "take on" the Champs. Meet the challenges, reckon with them in the true Pali Spirit! You have a lifetime ahead of you; approach it openly, eagerly, enthusiastically.

Champions, I salute you!! Congratulations.

Mary W. Voiles
ASSISTANT PRINCIPAL

One crisis after another has occurred during your senior high school years. You have been aware of the Iranian hostage situation, the Olympic boycott, double digit inflation, registration for draft and local fires and increase in crime. You also have experienced numerous crises while working toward graduation. Your ability to cope with your environment on a world, national, local and personal level is your most important learning experience. My wish is for each of you to apply this experience toward successful control of your personal future and to find happiness in your life.

Good luck, Champions!

Mrs. Else Schlueter

The 1980-81 School year has brought many new faculty to Pali and seen our teachers go to their retirement. Next year, the students of Palisades will be without Mr. Ted Beckwith, Mrs. Anita Robinson, Mr. Stephen Adler, Mrs. Judith Wexler, and Miss Laura Cooper because of their retirements. This year we were without Mr. Paul Thomas who has transferred to Webster Junior High School. Mr. Stephen Adler has been replaced by Mrs. Elizabeth Marvin. Other members of the Palisades faculty who left this year are Special Day Class teacher, Miss Romona Brown who's been replaced by Miss Phyllis Harris. Mrs. Vandolyn Seeney, the Asst. Principal's Secretary has left and is replaced by Mrs. Else Schlueter. The Textbook Room Clerk, Mr. Glenn Nelson has also left us this year. We welcome Mrs. Margaret Fick to the Attendance Office Staff.

DEDICATION AND RETIREES

Mrs. Anita Robinson

This year we are proud to dedicate the 1981 Surf to Mrs. Anita Robinson. Mrs. Robinson has taught with the L.A.U.S.D. for fourteen years and came to Palisades High in September of 1974. Teaching Social Studies has always been a very exciting experience for her & she has taught U.S. Government, Black History, and Psychology. In 1976 she began teaching honor classes.

Mrs. Robinson is a very active member of her church and her community. She enjoys learning to play the guitar and learning to speak Spanish. One of her happiest moments at Pali was seeing students fulfilled after a semester of Psychology or a year of History. The people she admired most at Pali were the students, Mrs. Joan Simpson, Miss Jean O'Brien, and last but not least Mr. Robert Wilking.

Currently she is working with the L.A.U.S.D. as a teacher advisor in Research and Evaluation of the Mandatory Desegregation Schools. Pali will surely miss Mrs. Robinson and we thank her for all she's done for us.

In October of 1980, Diane Shibley, a fellow Palisades senior, passed away. Diane enjoyed school and was socially active. All her classmates admired and loved her. She always managed to find a silver lining in everything, even in the darkest clouds. She had the most vibrant personality, which was one of her most outstanding qualities. Diane was also very physically active. She loved to sail and jog, and walk her dog on the beach.

Diane was a beautiful person, we will always remember and love her.
